**Re: Robert Sokolove v. Rehoboth Beach**  
**Our File No: 20021-00101**  
**Case No: 05-514\*\*\***

Dear Judge Thyng:

As an initial matter, I apologize for my absence from this morning's teleconference concerning Defendants' insurance carrier's amenability to mediation on the issues of: (1) the outstanding counsel fee issue; and (2) the constitutionality of the revised Enforcement Order.

By way of explanation, as I advised the Court and counsel earlier I intended to participate in the teleconference from my home (during my son's 3<sup>rd</sup> birthday party). Unfortunately, our home phone reception was erratic this morning and my cell phone was stolen two days ago. I tried to get through during the teleconference but by the time I reached the Court the teleconference was nearing its conclusion. Again, I apologize to both Your Honor and to all counsel.

With respect to the substance of the issues, I understand the Court has tentatively scheduled mediation for May 7, 2007. As I intended to convey to the parties and to the Court during the teleconference, we are prepared to participate in the mediation, I believe the mediation will be productive and look forward to seeing Your Honor on May 7.

Respectfully submitted,
